# DESCRIPTION

## A 130-FOOT SUPERYACHT CHARTER IN DUBAI

The **Aurora 130** is a 130-foot superyacht built for presence. From the moment she enters open water, her scale is unmistakable — not exaggerated, not theatrical, but composed and confident.

Aurora is designed for occasions that require space, structure, and seamless execution. Whether hosting a corporate delegation, a milestone celebration, or an invitation-only gathering, she offers an environment where movement flows naturally and guests never feel compressed.

This is not a yacht built for casual cruising. It is built for coordinated hosting at superyacht scale.

---

## ARCHITECTURE & SPATIAL FLOW

Aurora 130 unfolds across multiple levels, each intentionally defined. The upper deck provides panoramic vantage points over Dubai's coastline, while the aft reception area supports larger-format hosting without crowding.

Wide passageways and proportional deck spacing allow guests to circulate smoothly. Groups can divide organically — conversation on one level, dining on another, quiet retreat forward — without disrupting the overall rhythm onboard.

The yacht maintains balance even when operating at higher guest numbers.

---

## INTERIOR ATMOSPHERE

Inside, Aurora presents a salon that feels open rather than decorative. Large windows introduce natural light throughout the space, while soft finishes and structured seating layouts support both formal and informal arrangements.

The interior adapts easily to:

- Seated dining
- Lounge-style networking
- Executive briefings
- Evening receptions

Private cabins are available for longer charters or extended events, ensuring comfort remains consistent throughout the day.

---

## HOSTING CAPABILITY

Aurora 130 is particularly suited for:

- [Corporate hospitality programs](#)
- Brand launches and media events
- [Large birthday celebrations](#)
- [Engagement or wedding-related gatherings](#)
- VIP networking receptions

Her scale supports professional event coordination while retaining the exclusivity of a private charter environment.

---

## THE ON-WATER EXPERIENCE

Departing from Dubai Marina, Aurora moves smoothly along routes that include Palm Jumeirah, Atlantis, and Burj Al Arab. The yacht transitions naturally between cruising and anchoring, offering guests both dynamic skyline views and calm water intervals.

Even during peak hosting moments, the onboard atmosphere remains controlled. Service is structured. Movement is fluid. Timing is intentional.

---

## SERVICE & COORDINATION

Due to her size, Aurora 130 allows for elevated service arrangements, including:

- Structured catering formats
- Plated or reception-style dining
- Champagne and premium beverage coordination supported by [professional yacht bartenders](#)
- Custom décor integration
- Dedicated service teams

All elements are organised in advance to ensure seamless execution.

---

## THE AURORA 130 EXPERIENCE

Aurora 130 delivers scale without spectacle.  
She offers presence without noise.

For guests who require a superyacht capable of handling significant occasions while preserving elegance and control, Aurora provides one of the most capable platforms available in Dubai.
