DESCRIPTION

GALEON 780 FORMULA 1 YACHT CHARTER - ABU DHABI GRAND PRIX

The Galeon 780 Formula 1 yacht charter offers one of the most architecturally distinctive ways to experience the Abu Dhabi Grand Prix at Yas Marina. Known for its expandable balconies and open-deck innovation, the Galeon 780 transforms into a floating hospitality terrace during race weekend.

Positioned inside Yas Marina, this 78-foot yacht combines panoramic race atmosphere with a dynamic indoor-outdoor layout — creating a hosting platform that feels open, modern, and visually impressive.

A YACHT DESIGNED AROUND SPACE & OPENNESS

What sets the Galeon 780 apart during the Abu Dhabi Grand Prix is its signature fold-out side balconies. When deployed, these expand the yacht's footprint and create additional waterfront entertaining space — ideal for race viewing, social gatherings, and premium hospitality.

This yacht is particularly suited for:

- Lifestyle-focused hosting
- Premium private groups
- Boutique corporate entertainment
- Influencer and media gatherings
- Guests who value design-driven experiences

It delivers the race atmosphere in a format that feels immersive and connected to Yas Marina.

YAS MARINA POSITIONING & BERTH OPTIONS

During the Grand Prix weekend, Galeon 780 may be secured in:

- Track-view berths (subject to allocation)
- Non-track-view berths within Yas Marina

Charters include marina passes allocated to the yacht's confirmed guest list, enabling controlled access to Yas Marina and official race zones.

This setup allows guests to alternate between onboard hospitality and the wider Formula 1 environment without losing the privacy of their yacht base.
