Positioned within Yas Marina during Formula 1 weekend, the Princess X95 combines race-day proximity with elevated super-flybridge living — offering an experience that goes far beyond traditional grandstand viewing.

With panoramic viewpoints, climate-controlled interiors, and expansive social areas, this yacht creates a composed yet immersive Formula 1 environment from morning practice sessions through to race day and after-race evenings.

A FORMULA 1 SUPER-FLYBRIDGE DESIGNED FOR EXECUTIVE HOSPITALITY

At 95 feet, the Princess X95 is purpose-built for hosting at the highest level. Her super-flybridge layout creates multiple social zones across the yacht, allowing guests to move naturally between indoor comfort and open-air race atmosphere throughout the Abu Dhabi Grand Prix weekend.

Unlike high-energy party yachts, the Princess X95 offers a **calm, premium environment** — perfectly suited for executive networking, corporate hospitality, and private groups who prefer control, privacy, and space during Formula 1.

YAS MARINA BERTHS & FORMULA 1 TRACK ACCESS

During the **Abu Dhabi Grand Prix 2026**, the Princess X95 is available with both **track-view and non-track-view berths** inside **Yas Marina**, depending on availability and preference.

Charters include:

- Allocated **Yas Marina marina passes** for this yacht
- Direct access to **Yas Marina Circuit zones**
- Entry to official **after-race concerts and evening entertainment**

- Seamless movement between the marina, circuit, and onboard hospitality

This positioning allows guests to enjoy the race atmosphere up close, step ashore when desired, and return to the privacy of the yacht between sessions.

INTERIOR LIVING — CALM, CONTEMPORARY, CONTROLLED

Inside, the Princess X95 features a sophisticated, modern interior with full-height windows, refined furnishings, and a composed ambience ideal for professional and private hosting. The main salon provides an air-conditioned retreat for conversation, dining, or quiet moments away from the track, while maintaining a constant visual connection to Yas Marina.

The interior layout encourages connection without pressure — allowing guests to engage, relax, or step away as the moment requires. Inside, TAT110 features a chic, contemporary interior with soft tones, clean lines, and large windows that bring in natural light. The main salon offers a relaxed, air-conditioned environment for conversation, dining, or simply escaping the sun. The layout encourages connection without forcing it — creating a welcoming atmosphere that works equally well for private groups and professional gatherings.
