DESCRIPTION

ROYAL MIRAGE — A YACHT BUILT TO HOST WITH PRESENCE

Timeless Italian Design, Created for Grand Occasions

Royal Mirage is designed for occasions where space, structure, and atmosphere matter. With timeless Italian lines and a commanding presence on the water, this superyacht offers the scale and composure required for refined day charters, large celebrations, and high-level [corporate events](#) in Dubai.

Hosting up to **60 guests**, Royal Mirage is not simply a yacht — it becomes a private venue at sea. Calm, controlled, and unmistakably elegant.

Space That Adapts to Your Guests

What defines Royal Mirage is how naturally guests move and gather onboard. Wide decks, open lounges, and clear sightlines allow conversations and moments to flow without interruption.

Whether guests are networking, celebrating, or simply enjoying the sea breeze, the yacht never feels crowded. Multiple indoor and outdoor zones are thoughtfully arranged so every area feels purposeful, balanced, and comfortable — even at full capacity.

DESIGNED FOR EVENTS, CELEBRATIONS & CORPORATE CHARTERS

Royal Mirage is especially well suited for:

- Corporate events and executive gatherings
- Brand launches and networking receptions
- Family celebrations and milestone occasions
- Large private groups seeking privacy and scale

Her professional layout, stability, and service flow make her ideal for events where timing, atmosphere, and guest experience must work together seamlessly.

CALM INTERIORS WITH A PROFESSIONAL ATMOSPHERE

Inside, Royal Mirage offers refined interiors designed to support both social and professional settings. The main salon provides a composed environment for conversation, presentations, or dining, supported by full climate control and soft, balanced lighting.

The interior favors space and clarity over excess — allowing guests to feel comfortable, focused, and at ease throughout the event.

CABINS FOR EXTENDED CHARTERS & KEY GUESTS

Royal Mirage features **four well-appointed cabins** for overnight stays, offering privacy and comfort for guests continuing their experience beyond a day charter.

These cabins are ideal for extended journeys, multi-day events, or hosting key guests overnight, each arranged with quality finishes, comfortable bedding, and private facilities.

A FLOATING VENUE, NOT JUST A YACHT

Royal Mirage is designed to become the setting itself.

Whether anchored near Dubai's iconic landmarks or cruising along the coastline, the yacht creates a private, controlled environment — free from crowds, noise, and outside distraction.

This separation is what transforms an onboard gathering into something truly memorable.

CATERING, PRIVATE CHEFS & EVENT DINING

Dining onboard Royal Mirage is tailored to the nature of your event. Options include:

- Elegant canapé receptions
- Buffet-style catering for larger groups
- Live stations and themed menus
- [Private chef experiences](#) with plated service

Menus are curated around your preferences, ensuring dining feels smooth, timely, and appropriate to the occasion.

ENTERTAINMENT & CURATED EXPERIENCES

The charter can be enhanced with selected experiences, including:

- [Professional DJs or live entertainment](#)
- Full bar setups and service staff
- [Watersports](#) arranged alongside the yacht
- Branded layouts for corporate events

Each addition is coordinated with care — enhancing the experience without overwhelming it.

THE ROYAL MIRAGE EXPERIENCE

Royal Mirage is for hosts who value **scale without chaos, luxury without excess**, and events that unfold effortlessly.

Every charter is managed with discretion, structure, and experience — allowing you to focus on your guests while every detail is handled quietly in the background.
